### Charlie's New Friends

Last Spring Dream Riders bought Charlie with the funds from the memorials given in my sister's memory. When I told her family, the grandchildren wanted to come see "Grammy's horse". Carol would be so happy to know this beautiful pony was bought through her. Thanks to all who made it possible!

## Staff's Words

When Dream Riders is not giving therapeutic riding lessons, they are preparing for therapeutic riding lessons. Jennifer, our head instructor spent a lot of time working the 2 new horses, Molly and Charlie, to increase their riding skills and help them balance and develop the right muscles needed to do their jobs. While not riding she worked on repairing things that had broken throughout the year. Corky worked to get things clean and tidy along with helping with the horse care and small repairs. When Lewis was not working at Michelin he was replacing the original fencing,

keeping up with the pastures, yard work, and fixing what Jennifer and Corky break trying to repair things!! This year our riders returned their paper work on time and seemed ready to start the sessions back. We were able to get two pre-assessments done, since the days for the others were rained out. That was just enough since we only had two spots open that were perfect for these two riders. The fall I session began with no problems.

We were looking forward to seeing everyone!

## Camp 2014

The camp for Epworth Children's Home just keeps getting better every year. Can you guess what color our shirts were this year??

Campers learn riding skills and how to care for the horses. It's a week of fun and happiness. Some volunteers take off from work to join in the excitement.

Saying Good bye at the end is the only hard part of the camp!! Thank you Bill Kennedy and Kathryn Robinson for making this camp possible by contributing to the Carol Kennedy Summer Camp fund. If you would like to help provide this wonderful experience for these children just mark your contribution and it will be added for next year. Let's keep it going for Carol!
